# Sensuele MASSAGE

'Raak me niet aan' en 'handen thuis' gaven tot voor kort de houding van onze cultuur weer ten opzichte van lichamelijk contact. Nu de tijden veranderen moeten de mensen weer leren elkaar aan te raken.

{Geschiedenis van de massage}

In dit boek is de ervaring van eeuwen her, en van allerlei plaatsen op aarde bijeengebracht. Het aanraken is hier tot een kunst verheven, een kunst die iedereen leren kan.
